Whitesburg, Letcher County, Kentucky, Thursday Evening, June 25, 1953

Number 5.

Statement From Mrs. Troy W. Frazier

TO THE VOTERS OF LETCHER COUNTY:

Last January upon the encouragement given me by the people, I announced for the office of County Court Clerk of Letcher County. Little did I dream of not having any opposition in the Primary. This being the case, I want to thank the Republican Party of Letcher County for expressing so great a confidence in me and giving me so much consideration. I will assure you that I will never betray that confidence and will run my own race.

My deceased husband, Troy W. Frazier, had published in The Mountain Eagle four years ago, when the office of County Court Clerk was taken away from him, the following statement, "If I'm blessed to live and have health I will ask the people again when the time comes to let me be their Clerk." I know no better way for the people of Letcher County TO RIGHT THIS WRONG than to give me your support in this campaign. I

need your help and I will appreciate it more than words can express.

It has been my good fortune to spend most of my life teaching the youth of Letcher County and if you make me your Clerk, I have no other interest, but to serve you. I promise you the best of honest efficient, courteous, and accommodating service. Also I promise to employ help which will render the same kind of service that I have promised the people of Letcher County who are entitled to have this.

Let me make this appeal to the voters of Letcher County that you turn a deaf ear to any false rumors concerning my race and that you give me due consideration before casting your ballot. I'll assure you that if elected I will serve you in such a manner that you will never have any cause to regret that you supported me.

Thank you,
—MRS. TROY W. FRAZIER.

Martha Carson Sings To Capacity Crowd

Martha Carson, one of Letcher County's own products sang to a capacity crowd at the Elinda Ann Drive-In last Thursday night. She was accompanied by a group of entertainers from Grand Ole Opry of Nashville, Tenn., where they all appear each Saturday night.

Miss Carson has climbed high in the entertainment world by singing religious and spiritual songs. She has a rich mellow voice and great musical talent, swaying her body and keeping constant rhythm with her beautiful singing.

Miss Carson is the daughter of Mr. and Mrs. R. H. Amburgey, formerly of Goose Creek and McRoberts. She is a niece of the late Herbert Quillen, and has many other relatives in this county.

The crowd was one of the largest ever to assemble at the Elinda Ann Drive-In. While here Miss Carson and her party stayed at the lovely Pine Mountain Resort Hotel.

Jenkins Board Defines G. E. D. Requirements

The Jenkins Board of Education in a recent meeting adopted a report submitted by the Superintendent of Schools, Principal of Jenkins High School and a member of the Board of Education defining requirements for the issuance of General Educational Development Test diplomas. No G. E. D. Test Diploma will be issued unless the applicant has been enrolled in the Jenkins High School, Grade 9 McRoberts Junior High School, or the Dunham colored High School for at least one school year and earned as many as four high school units. To be eligible to apply for permission to take the G. E. D. test a pupil must have had his high school career interrupted by induction into the military forces through selective service. This means that in the future pupils who leave school by simply quitting on their own accord will not be eligible for the G. E. D. Diploma. This action of the Board was necessary because too many boys were dropping out of school on their own accord, joining the services and then taking a test and getting a diploma without even attending high school while others who remained in the school had to pursue their courses for the full four years in order to earn a diploma.

Let me make this appeal to the voters of Letcher County that you turn a deaf ear to any false rumors concerning my race and that you give me due consideration before casting your ballot. I'll assure you that if elected I will serve you in such a manner that you will never have any cause to regret that you supported me.

Thank you,
—MRS. TROY W. FRAZIER.

Store, Harlow Motor Co., Neon Electric Co. A&P Store, Wards Cash Store, Potters, Wright's Jewelry, Hazen's 5 & 10c Store, Neon Food Market, Compton's Shoe Shop & Shoe Store, Service Dry Cleaners, Kannon's Dress Shop.

Letter From Secretary of State

Letcher County Clerk Whitesburg, Kentucky

Dear Sir:

It was a pleasure to talk with you the other day and I am glad to be of service. Section 119.090 states that candidates for office in the primary without opposition are to receive their certificate of nomination from the clerk. This insures that their name will appear on the November ballot. Sometimes a candidate gets a little worked up regarding this Section of the law but it is not necessary to put their names on the ballot in the primary.

With every good wish, I am Sincerely yours,
—Charles K. O'Connell,
Secretary of State.

Statement From Carl Napier Candidate For County Court Clerk Of Letcher County.

In my traveling through Letcher County I find the voters in a spirit of hopefulness; they seem to be glad that there is a choice for them this August 1st., in the Democratic primary election.

The voters seem to be fed up on this salesmanship talk year after year, being told if elected we'll do this and that. If possible I will see you, the voters. If I should fail to see you it will be for lack of time. Trusting that you will have the opportunity to see, talk to, and study the past of your candidates who are running for County Court Clerk of Letcher County so that you may pick the one you think best.

Hoping to see you soon,
—CARL NAPIER.

Collier Attends Bluegrass Camp

Robert Collier, high school pupil of Dunham community represented Bradley Burkhardt Post No. 66 American Legion at Blue Grass Boys State from June 18 through June 24.

Two hundred and fifty-one boys took over Millersburg Military Institute barracks and began their activities on the afternoon of June 18. The first three days were given over to organization, conventions and campaigning to elect a governor and other state officials. The inaugural ceremonies took place on the afternoon of June 21 with Governor Wetherby on hand for the colorful parade through the streets of Millersburg.

Young Collier when asked about the activities of Boys State replied, "I have learned more government in three days than I have learned in most of my school experience and I know more about how the state and several counties carry on their business."

The sponsoring of the Blue Grass Boys State is one of the outstanding activities of the American Legion and every post in Eastern Kentucky should consider it an obligation to send one or more boys to the Boys State in the coming years.

County Officials Visit Frankfort in Interest Of Better Roads

Judge Robert B. Collins, Senator Archie Craft and County Court Clerk Charlie Wright made business trips to Frankfort the early part of this week in the interest of the road program for Letcher county. According to Judge Collins, the following roads will be black-topped this summer:

The road from the mouth of Dry Fork to Premium, and from Premium to Roxana; from Roxana up Kings Creek five miles; from Ulvah to Turkey Creek up Line Fork.

This will be a total of approximately 16 miles of new black top this year and will mean an outlay of some \$120,000.

The Pine Mountain - Cumberland road will also be resurfaced. This is of course, a federal project, it being a section of US 119.

Pfc. Don Menken Missing In Action

Mrs. Lola Menken Barb, received a telegram from the Department of the Army last Wednesday stating that her son, Pfc. Don Menken, was reported as missing in action. Menken, 21 years of age has been missing since June 10. He enlisted in the Army last June and was sent to Korea in July to serve in the Infantry. He attended Whitesburg High School prior to entering the service and has a host of friends who are hopefully awaiting good news from him.

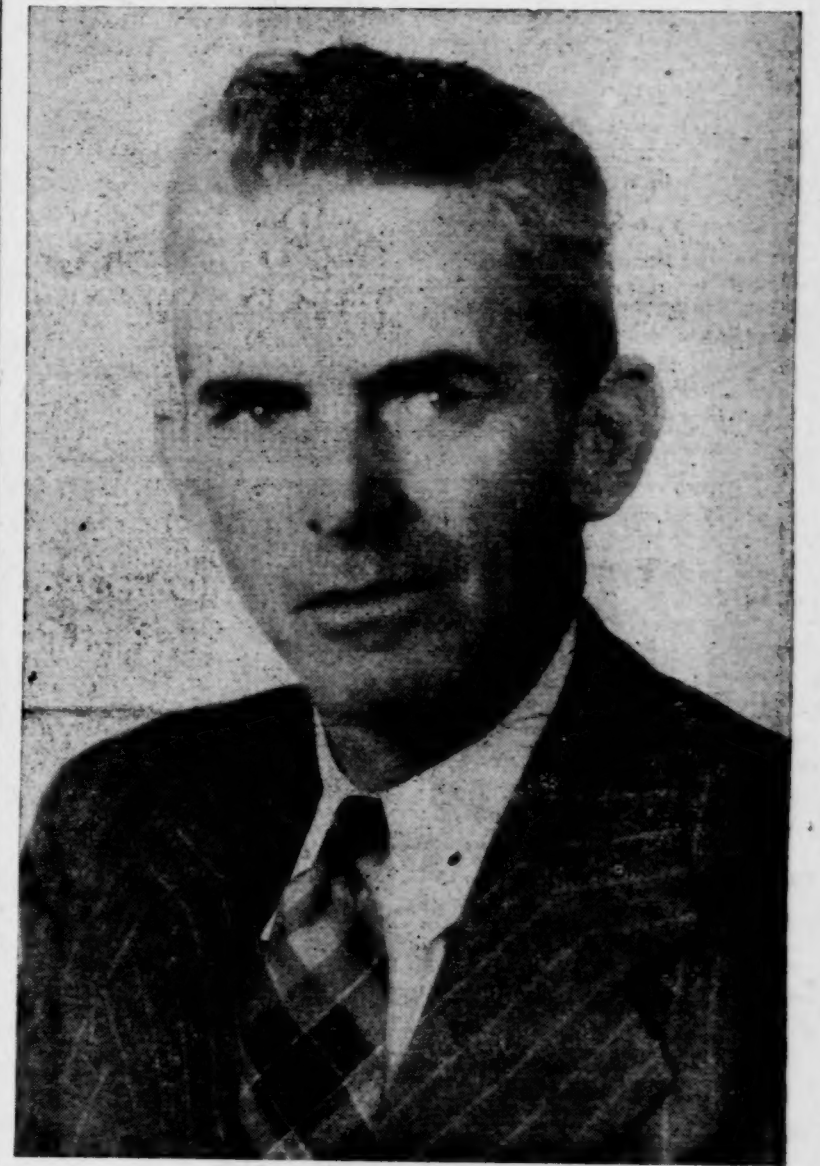

Vacation Sale At Dawahare's Stores

In this issue of The Eagle you will note two full pages of bargains, listed by Dawahare's, Inc., among outstanding stores in Southeastern Kentucky.

The Vacation Sale is an annual event at Dawahare's, and it will pay shoppers to see the many bargains at the stores located in Neon and Whitesburg.

Read the many bargains listed by merchants listed in The Eagle every week. From week to

W. HOWARD ADAMS
Democratic Candidates For County Judge
Of Letcher County

In entering this campaign for the office of County Judge I do so in a spirit of humbleness and with the greatest of confidence in the people of Letcher County. It is with the conviction that I will do more to help the people as a whole in every section of the county in the conduct of the office than any other person offering himself for the office. I solemnly pledge that there will not be any part of the County, but what will exercise my sincere attention and consideration of their problems.

The economic condition of our county is gradually on the decline, because of the loss of markets for coal, therefore it is incumbent upon us all to work together to bring new and diversified industries to our county, this can and must be done. It is my conviction that your elected officials should lead and give of their time and energy to make this proposition a reality. I PLEDGE MYSELF TO THE TASK. It is shown that our boys and girls must leave the place of their birth to get employment, also hundreds of our fathers and mothers are leaving the county for employment in order to make a living. This can and must be corrected.

I pledge to all of you that I will do everything possible within my power and the power of the office to bring about better conditions for all of us. Here is a partial list of what

I expect to accomplish, God being my helper:

1. Continued and greater aid to Education in cooperation with your elected school officials, teachers and parents.
2. More and better rural roads to all sections of the county.
3. To aid and work with our Representatives and Senators for repeal of that portion of the law that requires our old and needy people to mortgage their homes to receive the aid they so much deserve.
4. To protect the lives and property of the people individually and collectively, by fair and impartial enforcement of the law. Our schools and churches will have my sympathy and protection. I will always look to the protection of our boys and girls.
5. I pledge that I will be willing and ready to serve all the people, all the time, there will not be any partiality in the office of County Judge, all of the people will be treated fair and impartial.

There is no enmity in my heart toward anyone, but only an overwhelming devotion to the problems of all of us. With your knowledge of my honesty, truthfulness and sincerity, I humbly ask for your help in this election. I'll be seeing you.

Yours for a better Letcher County.

—W. HOWARD ADAMS.

P. S. I will have more to say through the medium of this paper as time progresses.

OPTION ELECTION

OKAYED FOR PIKEVILLE

A local option election will be held in Pikeville June 27, but none will be conducted in Pike County territory outside of Pikeville and Elkhorn City, it has been reported.

These decisions were reached by the Court of Appeals today after hearing arguments on an appeal from County Judge Ervin S. Pruitt.

Judge Pruitt May 4 called the two elections on the basis of voters' petitions presented him. But last Monday he set aside the earlier orders.

Chief Justice Porter Sims said the high court directed Pruitt to set aside his later order relating to the City of Pikeville and permit the election there.

EXAMS ARE SET FOR EMPLOYMENT SERVICE POSITIONS

Merit examinations for employment with the State Department of Economic Social Security will be held at five Eastern Kentucky areas, Saturday, June 27.

Places of examination will be Pikeville, Hazard and Prestonsburg.

FIELDS RE-UNION SUNDAY, JULY 12

PLACE: On Pine Mountain at Nolan picnic grounds, Letcher County, Ky. — Highway 119. Bring a basket and join us. Everybody invited. Be sure to be there.

CAVALIER Drive-In OPENS TONIGHT

The new Cavalier Drive-In Theatre will begin operation tonight. It is located on US 119 at head of Potter's Fork, formerly known as the garbage dump; it is now converted into an Ultra-Modern Drive-In Movie, with a capacity of 370 speakers, one of the largest screens in this territory, and modern snack-bar, serving sandwiches, soft drinks, etc.

Tonight's double feature: "The Purple Heart Diary," featuring Frances Langford and Kangaroo in Technicolor.

Automatic Fire Alarm Installed In Daniel Boone Hotel

An automatic fire alarm system has recently been installed in the Daniel Boone Hotel. A certificate of cooperation from the State Fire Marshal's Office has been awarded to the hotel following the installation. The system works from an automatic control in the basement, with alarms on each floor. The Daniel Boone owned and operated by J. S. Nicholson, is the only hotel in town with this specific alarm system.

79 Children Appear For Examinations By Dr. Murphy

Dr. O. B. Murphy surgeon of Lexington, conducted the children's clinic at the Presbyterian Church on Wednesday. This Clinic is held each summer and is sponsored by the Rotary Club. Josey Little of the Louisville office assisted with the examinations. Mrs. H. C. Robinson of Lexington has given her time as typist for this worthwhile work for 21 years attended this clinic along with Miss Asbury the children's nurse and Mr. Griffith from the Lexington brace shop.

The young ladies of Whitesburg who were willing helpers were Barbara Lewis, Shelia Moore, Shirlee Butcher, Myra Reese, and Ella Louise Polly. The Letcher County Health Dept. members are grateful to the people who made the clinic a success by their efficient work. Seventy-nine children were examined those children needing hospitalization will be sent to Lexington as soon as there is a place for them.

Don't Let Independence Day Make You A Dependent

Unless this forthcoming holiday is different from all that have preceded it, thousands of Americans will become dependents on Independence Day.

They will be the maimed, the widowed, the orphaned. For the rest of their lives some of the maimed will have to depend on others for their physical care and comfort—some of the widowed and orphaned will have to depend on relatives or the state for their financial support.

And the dependency of the maimed, the widowed, the orphaned will be the result of Independence Day accidents.

In addition, several hundred Americans will pay for their celebration with their lives. All this because of accidents that need not happen.

Holidays have become horror days in the United States. In recent years many holidays have brought such a high accident toll that they assume the proportions of a national catastrophe. And this carnage need not occur. Accidents are not acts of God. They are acts of humans who foolishly bet their lives for dubious rewards.

The driver who speeds to get to his destination—what difference does it make whether

he arrives 10 or 20 minutes later?

The youth who attempts to swim across the lake—what is gained by trying to show off in front of a crowd?

The father who cannot deny his children the "pleasure" of fireworks—what pleasure will the child derive from sightless eyes?

Motor vehicle accidents lead the list of Fourth of July hazards. According to the National Safety Council, one out of two persons now living in this country has been or will be injured in a motor vehicle accident before he dies, unless our present accident rate is greatly reduced. And many of these accidents occur on holidays, when traffic is especially heavy.

Second high on the Fourth of July list is drowning. Falls, fireworks, and firearms, sunstroke and heat exhaustion, food poisoning and miscellaneous accidents also exact their toll.

Independence Day tolls are not inevitable. They can be prevented. Police departments and other officials all over the country will be alert to prevent as many accidents as possible. But as always the size of the toll depends chiefly on the good sense of every American. Take it easy on the Fourth. Don't let Independence Day make you a dependent!

Camp Nathaniel Opens General Conference On June 30th

Nationally Known Speakers To Bring Messages

The annual Bible Conference at Camp Nathaniel is scheduled to open the evening of June 30 and run through July 5 featuring evangelistic meetings, Bible classes, missionary messages, lively song services, a recreational program, and also special meetings for the younger children.

Rev. and Mrs. W. Morrow Cook of Fort Wayne Bible College will bring thrilling and challenging missionary messages each day. The Cooks are originally of Scotland and have served in South Africa for 10 years as missionaries. Mrs. Cook will take part in the meetings especially planned for the younger children.

Rev. Norman Hirschy, pastor, traveler, and Bible teacher from Evans City, Penna., whose inspiring teaching at Camp Nathaniel last year was a high spot of that conference, will return to us.

Dr. Richard Seume, who has served seven years as pastor of the Madison Avenue Baptist Church at Peterson, New Jersey, holds prominent positions in several large missionary organizations and has led his people into a world vision of missions. Dr. Seume has a message for young and old alike.

Rev. Sale, who is ministering in Cina, Kentucky, is a man of the Book and will open each conference day with some stimulating and helpful spiritual nuggets.

Special meetings are being planned for the children to coincide with the scheduled services for adults, which will be profitable for them and at the same time free their parents to enjoy the regular services. During the meetings the children will be under the care of qualified and responsible adult workers. Last year the Children's Conference at Camp Nathaniel proved to be a great success during the General Conference.

The facilities at Camp Nathaniel enable a varied recreational program to be opened to all ages. The swimming pool, and the wading pool for tiny tots, are main attractions. In addition to swimming there are ball games, shuffle board, and other special events.

July 4th is a big day of the conference when Sunday School and Church groups are especially invited to bring picnic meals and spend the day

at Camp Nathaniel.

There are sleeping accommodations for families as well as for others who desire to attend the Conference for the entire time, or any part of the time. The entire conference is without charge for lodging or meals, but free-will offerings will be taken each day to give folks an opportunity to help defray expenses.

SERMONETTE

In the Lord I put my trust. (Psalm 11:1.) Read Colossians 1:9-17.

The men who laid the foundations of our Republic had a vigorous all-encompassing belief in God. The great documents which they wrote are couched in prayerful terms for the strength of the fledgling nation lay in its faith. The founders believed that, with God's help, the new concept of government, based on individual liberty, must succeed.

That great and vital concept of government is today threatened by the twin menaces of crime and subversion. Concern with material things and failure to discharge our spiritual duties are signs that we have been neglecting the keystone which supports the arch of liberty.

Prayer is that keystone. Prayer is the clarifying medium. Through communion with God, He enables us to disperse confusion and separate truth from falsehood. It is the means by which the soul gains release from sorrow and freedom from fear. Prayer is the bridge which unites man to God.

PRAYER

Almighty God, in whom we live and move and have our being, give us the vision to preserve the liberty which is Thine alone to grant. Strengthen us. Give us courage for the future. We ask Thy guidance. We pray in the name of Him who exemplified the highest courage. Amen.

THOUGHT FOR THE DAY
"Those people who are not governed by God will be ruled by tyrants."
J. Edgar Hoover, Lawyer (District of Columbia).

POWER COMPANY WILL BE CLOSED ON SATURDAY

It was announced this morning, by Mr. A. R. Barber, District Manager of the Kentucky and West Virginia Power Company, that effective immediately the Hazard and Whitesburg offices of his company will be open for business from 7:30 a. m. until 4:30 p. m., Monday through Friday, of each week. The Hazard and Whitesburg offices will, therefore, be closed all day on Saturday.

Pendleton-Horn Pendleton-Bates

A double wedding of much interest in the community was solemnized last Saturday afternoon in the First Baptist Church when Alice and Evelyn Pendleton, daughters of Mrs. Vera Pendleton and the late Kyle Pendleton were married in the double ring ceremony. The bridegrooms were Sam Horn, son of Taylor Horn and Joe Henry Bates, son of Mr. and Mrs. Van Bates, all of Dunham. The Rev. John S. Hale officiated. The attendants for Evelyn and Joe were Mrs. Dexter Pendleton and Tommy Bates and the attendants for Alice and Sam were Hershel Horn of Gallion, Ohio and Ruth Horn. Soloist was Bobby Gambell who sang "Always" and "Oh Promise Me" accompanied by Miss Pat Bumgardner.

The brides wore white linen suits with pale blue accessories and picture hats. They carried white rosebuds. Alice wore an heirloom pin given her by her grandmother, Mrs. Alice Pendleton. Identical cakes were served at the church reception after which the newly weds left on a wedding trip to Gatlinburg, Tennessee.

Mr. and Mrs. Horn will make their home in Toledo, Ohio and Mr. and Mrs. Bates will be at Tyndall AFB, in Panama City, Florida.

Jail For First Offense Spurs Crime, Judge Says In July Digest

Pleasantville, N. Y. — "The indiscriminate jailing of first offenders has contributed mightily to the fearful rise of crime in this country," states Irving Ben Cooper, Chief Justice of the Court of Special Sessions in New York City.

Writing in the July Reader's Digest, Judge Cooper contends that most first offenders could be saved from a life of crime by well qualified probation officers operating under an efficient program. Less than ten percent of our courts, however, "have anything resembling adequate probation facilities."

During 14 years on the bench, Cooper has sentenced more than 15,000 young people for their first serious offense. "Three out of five, after serving the prison terms I was compelled to impose, went on to more vicious crimes," he writes. "Some ended in the electric chair. Had we possessed the proper tools of rehabilitation, I believe we could have saved 80 percent. And this is true of similar tribunals throughout the nation."

Although many community leaders believe that all offenders should be jailed, Cooper asserts, "We know that probation works. But in most states probation officers are few and poorly paid; in many states the positions are held by unqualified individuals."

Judge Cooper's court has jurisdiction over petty crimes—minor thefts, stealing of automobiles, the possession of drugs or weapons. In this, and similar courts most of the criminal careers begin. A Magistrate may pass judgment on 50 to 100 first offenders a day, but because the probation machinery is inadequate he has no recourse but release or jail.

The community has a moral obligation to rehabilitate first offenders who can be made into decent citizens, and a large financial stake in saving them, Cooper states. The average prison inmate costs taxpayers \$2000 a year. The cost of an efficient probation service is about \$150 per case a year.

STATEMENT FROM MRS. W. H. DYER

TO THE VOTERS OF
LETCHER COUNTY:

We believe that any boy, who is unfortunate enough to come within the custody of the courts and be committed to the county jail should have every possible consideration, and as nearly as humanly possible, a mother's love and a mother's care. This love and care, I propose to give to these unfortunate sons, the same as if they were our own son, who gave his life in the defense of our country on the battlefield of Germany during the great World War II.

My husband served as Deputy Jailer for three years, and during that time I did the cooking and we cared for the sick and injured the same as if they had been our own child, taking the pillows from my own bed and placing them under their heads, and used our own money to buy things that they could eat. I have sat on the edge of their beds and fed them when they were too sick to wait upon themselves. And we have called doctors to treat their ills and pains, and have spent many a sleepless night administering to their needs.

These things we have done for those who have been so unfortunate as to come within the clutches of the law, without thought of compensation, and would have refused it had it been offered.

We are poor people, unable to spend a lot of money in making an extensive campaign for this office, and will not be able to see and talk with a large number of the voters between now and the Primary election, therefore, we plead with you, please go to the polls on election day and cast your vote for us, and we will give you four years of honest, efficient and courteous service and administer to your sons tender and loving care, and their food will be as clean and wholesome as the race my husband is making for the office of Jailer.

Won't you please help us? It will be appreciated beyond anything that words can express.

Sincerely your friend,

(Pol. Adv.) —MRS. W. H. DYER.

Health Dept. Issues
Polio Precautions

Polio precautions are as important in 1953 as in previous years, stresses B. M. Drake, M. D., Deputy Commissioner, Preventive Medical Services, Kentucky State Department of Health. Kentucky has been allocated only 2400 doses of gamma globulin, the blood derivative with antibodies that give a five-week partial immunity to poliomyelitis. Dr. Drake said, but it will be given only to family contacts under 30 and to pregnant women of any age. Family contacts are the other members of the family in which there is a diagnosed case of polio.

Dr. Drake stated that since gamma globulin is so limited, parents should not depend on the possibility of obtaining it, and practice polio precautions as always:

1. Avoid a sudden chill or overtiring. Both lower resistance.
2. Avoid crowds or contacts with strangers. Lead a normal life.
3. Children should swim only in approved swimming places.
4. Practice habits of cleanliness and sanitation. Wash hands regularly.

Although headache, sore throat, low fever, nausea, listlessness and pains or stiffening in the muscles may appear slight and similar to other ailments, consult your family physician immediately if these occur. If it is polio, immediate rest and immediate treatment are necessary.

Polio is serious because some cases die and some are paralyzed. Fifteen to 25 per cent are left handicapped. In 1951, however, it should be noted there were 323 reported polio cases in Kentucky, compared to 1366 cases of whooping cough, 8881 cases of measles and 148 cases of diphtheria. The latter diseases also cause death and severe though not always obvious handicaps. In 1951, also, in the age group under 20, there were 132 deaths due to accidents which occurred in homes, and an estimated 528 home accidents which left children and youths permanently crippled. In this same age group only 13 died of polio that year, out of 273 cases, with an estimated 55 crippled.

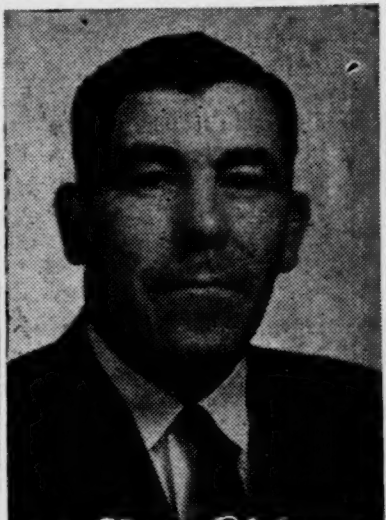

KCC Prepares
Development Contest

Kentucky communities today began preparations to enter the second Community Development Contest. Sponsored by the Industrial Development Committee of the Kentucky Chamber of Commerce, the contest, which offers \$4,000 in prizes to six winners, will be used by the Kentucky Chamber to stimulate greater activity in the improvement of all phases of community life. Every community in Kentucky is eligible to participate in the contest, according to the contest guide issued today by the KCC. It states that development organizations must permit representation from all economic, civic, and social phases of community life, adding that every organization's activity "must include a rural development program that covers the trading area of the community."

Each contest entrant will be required to submit a complete report of community progress in the form of a scrapbook which contains a record of community problems and solutions, projects and accomplishments during the contest period. Judging will be based on the point system: civic improvement, 30; rural development, 30; main street modernization, 20; industrial development, ten; organization, five; and presentation, five points.

Although the contest is just being announced, community activities of participating groups dating back to March 1, 1953, will be considered in the judging.

Entry blanks, which may be secured from the Kentucky Chamber of Commerce, 317 Fincastle Building, Louisville 2, Kentucky, must be postmarked before midnight, Sept. 15, 1953. Scrapbook entries must be mailed no later than March 17, 1954.

Pine Mountain Baptist
Associational
Missionary

—By Rev. John R. Isaacs—

Friends, we are now in the second week (Girls Camp) of our two weeks of Camp. Last week we ended up with 41 boys in our R. A. (Royal Ambassador) Camp. Two of our boys made professions of faith while there.

This week up through Tuesday morning we had 37 girls in our G. A. Camp. Brother Bailey Sadler is the camp pastor for the girls and Bro.

A. R. Hoe was camp pastor for the boys.

One of the interesting points about these Christian camps is a good percentage of our members are from our Mission Points. Missions is my mission, and anywhere people are without the gospel, there we must go and take the good news.

I am now going to Haymond for some time on Sunday morning. I teach a Junior class of boys and preach to the whole group after Sunday School. Yes, I have seen red pills, black pills, sweet pills, bitter pills, but the best pill is the GOSPEL PILL.

Now a thought for this week. To help just a little in our sole problem is the problem of the soul. Our highest need is the need of the highest, and our eternal need is the need of the eternal, so, let us close by saying—"He that believeth on the Son hath EVERLASTING LIFE."

See you next week with a full coverage of both camps.

A first-grader to teacher: "He's a mixed-up kind—sort of a cocker scandal."

To The Voters of— Letcher County

I am still confident about my nomination for Jailer of Letcher County. I hope everyone will come out and vote August 1st., and if I am nominated and elected I still promise the people that I will keep the courthouse and jail clean and sanitary. Feed the prisoners good and feed my friends when they come to visit me. I have been a Freemason for thirty two years

and I have been in the Baptist Church for 30 years. I belong to the Thornton Union Association. I was a charter member of the United Mine Workers when it first came to Letcher County and am still a union man. I hope every voter will consider me and elect me for their Jailer of Letcher County, and I want to thank everyone who supports me in this campaign.

Sincerely yours,
—BILLIE DAY.

KIWANIS SPIRIT

This Week's Program was to have been a report on the Kiwanis International Convention held in New York. However, if our delegates, Hayder Igleheart and Bert Fields, are not on hand to report, we will have a program of planning National Kids Day.

LAST WEEK:

J. R. Pack as Chairman really got on the ball and told us where we are headed if we don't put more into our Kiwanis work. He analyzed our achievements for the year 1952 and followed through with the analysis of our achievements so far this year.

If we do a better job than we did last year there isn't any question but what every Kiwanian must get behind President Dick and push, and push and push during the rest of the year.

NEXT WEEK:

Meeting will be held at the Swimming Pool. Harvey Hensley as Chairman. This means another good box lunch, we hope. More details in next bulletin.

ATTENDANCE PRIZE:

Who won the tie last week? Ted Bumgardner. E. H. Preston will bring the prize this Thursday.

WHAT IS SUCCESS

It's doing your work the best you can
And being just to your fellowmen.

It's looking forward and thinking high
And keeping always in closest touch
With what is fine in word and deed.

It's going onward despite defeat,
It's fighting staunchly, yet keeping sweet
It's living clean and playing fair

And laughing lightly at Dame Despair.
It's looking up at the stars above,
And drinking deeply of life and love.

It's struggling on with a will to win,
And taking loss with a cheerful grin.

Conductor: "How old is the little girl?"
Little Girl: "Hush mother, I'd rather pay the full fare and keep my age to myself."

CHILD WELFARE OFFICE TO CLOSE

Frankfort, Ky. — In a move to cut expenses, the child welfare district office at Lexington will be closed July 1.

Mrs. Ruby A. Dennis, director of the division, made the announcement yesterday. She said Fayette County was the only county in the state which didn't provide office space.

Child welfare services will be given on a part time basis in Fayette, Mrs. Dennis said. The district consultant, Mrs. Lulu Hahn, will be moved to Winchester.

MINERS WILL START VACATION SATURDAY

Between 6,000 and 6,500 miners in the Hazard Coal Field will collect their \$100 vacation pay and start their ten-day vacation Saturday. The annual vacation will extend through July 6.

A spokesman said today that all miners with the exception of those in emergency crews would start their vacation Saturday. Emergency crews are those mining crews which are repairing machinery and doing similar jobs. The spokesman said there would probably be a few of these crews and that these would take their ten-day vacation later.

More than 27,000,000 Americans moved to new homes during 1952, according to a commercial survey.

TO THE VOTERS OF THE 8TH MAGISTERIAL DISTRICT:

I am asking the good people to think this over, for a man that has given his life for the good people over the County, in sickness and in death; I have served in one-half of the homes in the County; I have lost work from two to three days per week, when my wife and family was needing me at home trying to serve the people in times of need and sorrow. I was glad to do what I could when called upon until I broke myself down and had to go to the Hospital, and now I am unable to work. I have worked in the Mines for 30 years trying to make a way for my family, now I have a cut-off slip because of my sickness. So I am asking the good people to help a man that needs it, and the people need a man that will do the right thing, and when the four years have gone by the people will be glad. I am asking the good people of the 8th district to give a poor man a chance to serve them as their Magistrate for the next four years, and I will prove to them that I will give them a sober administration during the four years. No one can say anything evil about me and tell the truth, for I have always tried to do the right thing, and will continue to do so to them through sickness and death, and I promise if elected to this office to continue the best service I can possible to the people of the 8th Magisterial District.

Respectfully submitted,
—ROBERT SEXTON

nowhere
A thousand miles from you.

We sweat, we freeze, we swear
It's more than I can stand
We aren't really convicts
Just defenders of our land.

Yes, we are in the Army now
And it looks like we are here
to stay
We are guarding people with
millions
For only two-fifty a day.

Living with your memories
Thinking of your gal
Hoping that while you are
away
She doesn't marry your best
pal.

Nobody knows you are alive
Nobody gives a damn
It seems you are forgotten
You belong to Uncle Sam.

The time we spend in the
Army
Is the time of life we miss
The Draft Board had to get us
Because we sure didn't enlist.

And when we pass those
Pearly Gates
St. Peter will greet us and yell
Fall in you men from Eustis
You have served your time
In Hell.

Mr. and Mrs. Emmett Fields and son, Burke returned home Sunday from Lexington where they had visited with Mrs. Fields' mother, Mrs. T. B. Burke. They were accompanied home by Bronnie Burke. Mr. Fields attended a special course on Kentucky Rules of Civil Procedure at U. K.

Garden Club Meets—

The June meeting of the Garden Club found the members more interested in flower arrangements and prospective members. Mrs. Harry Caudill was hostess at her lovely country home with Mrs. Cro Caudill as assistant hostess. Mrs. Jack Cox, the vice-president conducted the business session. At this time a committee was appointed to help formulate plans for the beautification of the Court House lawn. The club will urge the County Court officials and public to assist them in this project.

Mrs. W. P. Nolan presented a most informative book report on John Kirean's "Birds" which was greatly enjoyed by those present.

The tea table from which refreshments were served was lovely with lighted candles and garden flowers in pastel shades. Those present were Mesdames: Lawrence Lewis, Augusta Renaker, French Hawk, Roy Crawford, Dave Craft, Zenneth Bentley, Jack Cox, Pearl Nolan, Preston Sloan and Mr. and Mrs. V. D. Picklesimer and Mrs. Caudill's mother, Mrs. Kenneth Frye of Cynthia. The July meeting will be a family night picnic at the home of Mr. and Mrs. Hiram Taylor, Jr.

Mr. and Mrs. Leslie Pennington of Scuddy were guests of Mr. and Mrs. Orval Hughes on Monday.

Mr. and Mrs. James Fairchild and daughter, Anna Ruth of Lexington are visiting S. G. Fairchild, Sandlick Road and other relatives.

On Tuesday evening, June 16th, Circle No. 1 of the Whitesburg Methodist Church met in the assembly room of the church for a picnic supper and program.

Following a delicious supper which was held inside due to inclement weather, the business session was conducted by the president, Mrs. Zenneth Bentley. At this time the secretary, Mrs. Virgil Blair read the minutes of the last meeting and it was decided to name the circle the Susannah Wesley Circle. The program for the evening was given by Mrs. J. L. Hays who gave an interesting account of "Africa in Safari," closing with "Thoughts for Quiet Hours" by Dwight L. Moody.

Members present were: Mesdames: Hobert Combs, Zenneth Bentley, J. L. Hays, Virgil Blair, Owen Pigman, Stephen Combs, Jr., Owen Wright, Dan Combs, Orval Hughes, Augusta Renaker and C. L. Kilgore.

Mr. and Mrs. Fred Coffey announce the birth of a daughter, Shelia McIntosh, on Tuesday, June 15th at Somerset City Hospital, Somerset, Ky. Baby Shelia weighed in at 3 lbs. 13-oz. and will remain in the hospital for a while. Mother Coffey will return home this week.

Mrs. Arthur Dixon entertained her sewing club at breakfast at her home in the Harvey Addition on last Thursday morning. The lovely bowls of garden flowers further enhanced the beauty of the home and a most delightful hour was spent following the breakfast. Those present were: Mrs. French Hawk, Mrs. Lewis Ammerman, M. R. S. Maurice Lewis, Mrs. J. E. Crawford and Mrs. Hazel Childers.

Mrs. Sam Collins, Sr. and son, Harlan are visiting in Big Springs, Texas, with Mrs. Collins' mother, Mrs. Julia Stamper.

Mrs. Herman Combs who has been a patient in St. Joseph Infirmary, Louisville is expected home today or Friday, much improved.

Friends of Mrs. John Gose are delighted to know that her condition is improving at St. Joseph Infirmary, Louisville.

Mrs. Noble Wright and daughter, Barbara, and Mr. Jess Holbrook, Jr., and son have returned to Whitesburg from Naples, Florida where they spent several months.

Harold Lee Hall, US Army left recently for Seattle, Washington after a visit with his parents, Mr. and Mrs. Troy Hall at Ermine.

Pvt. Ralph Pratt who has recently completed basic training at Camp Chaffee, Arkansas is the guest of his mother, Mrs. Nick Wright. He will report to Ft. Sill, Oklahoma for further training upon termination of leave.

Raymond B. Fields was recently graduated from Miami Jacob's College, Miamisburg, Ohio, receiving a diploma in higher accountancy in the class of '53. Mr. Fields is the son of Ozina Fields and he and Mrs. Fields expect to be in Whitesburg in August.

Twin sons of Mr. and Mrs. Paul Taylor of Louisville were born recently. They have been named Paul Scott and William Bentley. Mrs. Taylor is the former Eunice Bentley, daughter of Mr. and Mrs. J. L. Bentley formerly of Whitesburg. Mr. and Mrs. W. H. Taylor of Sandlick Road are the paternal grandparents.

Mrs. Jack Passmore and children, Jack Granford and Carol Frances returned home Tuesday after spending several days as guests of Mr. and Mrs. A. C. Jenkins. Jack Passmore and Mrs. C. G. Passmore were also Sunday guests in the Jenkins home.

Mrs. Richard Wells and grandson, Michael David visited recently in Irvine with Mr. and Mrs. Joe Eversole and Bobby Steve Wells.

Mr. and Mrs. Morris Hogg and daughter, Donna of Pikeville were guests of Mr. and Mrs. James Brown on Thursday.

Mr. and Mrs. Forrest Brown announce the birth of a daughter, Jill, on June 13, at Methodist Hospital, Pikeville. The Browns are parents of two other children, Ann and Forest Carl, Jr.

Mr. and Mrs. Mack Norman of Williamsburg, Ky., are visiting relatives and friends here this week.

Mr. and Mrs. Watson Mullins had as recent guests, Mr. and Mrs. Dale Mullins and children, Ronnie and Missey of Louisville.

Henry Combs who has been serving in the US Navy for the past two and a half years is on a 20 day leave at the home of his parents, Mr. and Mrs. John Combs at Ermine.

Miss Mae Bach of Lexington is the guest of Mr. and Mrs. B. C. Bach and family.

Mrs. Ray Venters has returned from a weeks vacation with her parents, Mr. and Mrs. P. E. Holcomb of Winchester, Ohio.

Mr. and Mrs. Ambrose Wilson and son, Ambrose IV of Louisville were recent guests of their parents, Mr. and Mrs. Ray Venters and attended the Pendleton-Brook wedding on June 2nd, at the First Baptist Church.

Guests of Mr. and Mrs.

Harry Caudill on Tuesday evening were: Mr. and Mrs. Dave L. Craft and family; Mr. and Mrs. Zenneth Bentley and family and the W. P. Nolan family. A delicious picnic supper was served on the lawn followed by a delightful evening of conversation and games. Mrs. Kenneth Frye, of Cynthia, and mother of Mrs. Caudill is a guest in the Caudill home.

Among those who attended Federal Court at Pikeville this week are Russell Price, Coy Holstein, Mrs. Kyle Campbell, Mrs. Windus Williams and Mrs. J. L. Hays.

Mr. and Mrs. Lewis Ammerman are attending funeral services at Somerset for Mr. Ammerman's brother, Harold B. Ammerman who passed away on Monday in Chattanooga. Mrs. Augusta Renaker is also a sister of Mr. Ammerman but could not attend the services because of illness.

BLAIR BR.

Refreshments were served and lots of nice gifts were received.

Shade Blair suffered a broken rib last week when the plow stock hit him while ploughing.

STATEMENT FROM EDWIN HOLBROOK

TO THE VOTERS OF MAGISTERIAL DIST. NO. 7: I wish to state in regard to rumors that if elected someone other than myself would hold the office to which I had been elected. This rumor is incorrect and has no foundation whatsoever. If elected I promise to give you honest and faithful service and I will serve you as Magistrate at all times MYSELF. I am a poor man, and a family man, my word is my

honor. I am seeking the office solely for the purpose of serving the people. There is no faction or person controlling me. Each of you voters know of my past. I shall always work for my district and county. I hope each and every voter will give me consideration, and if nominated I will endeavor to serve you to the best of my ability.

Your servant,
—EDWIN HOLBROOK.
(Pol. Adv.)

I Started 411 Parmenter Red Rhode Island Pullets Chicks on PURINA CHICK STARTENA and after they had eaten 2 Lbs. per Chick, I changed to Purina Chick Growena and I will keep them on Purina Chick Growena until they are 20 weeks old and then change them to Purina Layena.

At eight weeks and four days they weighed an average of 2 Lbs and 1 Oz. per Pullet and I had lost only 15.

I certainly am well pleased with the results and I very highly recommend Purina Chows to everyone keeping poultry.

SIGNS OF LIFE

These are signs of life—and the life they save may be your own. Despite all efforts toward safety through the years, traffic deaths still total 38,000 a year. A terrible toll, one that every person who drives can help reduce.

It's no accident that telephone employees who operate cars and trucks are careful drivers. They're constantly trained in safety. The Bell System's safety creed expresses it this way:

"No job is so important and no service is so urgent that we cannot take time to perform our work safely."

Promises To Be
Biggest Yet

The 4th. of July celebration which will be given by the VFW with the aid of other civic organizations and merchants of Whitesburg, will be one of the largest displays the people of Letcher County have witnessed for some time. The parade will begin at 9:00 a. m., with floats presented by the local civic organizations. The parade will assemble on Railroad St., and then proceed to the ball park where the activities of the day will get underway. Among the activities will be races of many kinds, greasy pole, and many other attractions that you won't want to miss.

Fire works will be displayed during the evening, after which a square dance will follow.

Many prizes will be given away during the day including a Washing Machine, Motor for a boat, Artkraft Freezer. This will be the biggest display of merchandise in a long time for Whitesburg, so be there and enjoy the day. Cold drinks and sandwiches will be served at reasonable prices.

RED CROSS CLAIMS
FUNDS ARE GONE

Washington — The American Red Cross said today that aid provided in the recent series of floods and tornadoes has virtually wiped out its entire disaster budget for the current fiscal year.

A cow "cafeteria", with a conveyor belt carrying ensilage along a 106-foot "lunch counter" has been installed on a dairy farm in upstate New York. As a labor-saving device, the machine makes it possible to do an eight-hour job in half an hour.

William H. Blair Appointed Delegate To Methodist Rally

Nashville, Tenn., — William H. Blair, of Whitesburg, has been named an official delegate to the World Methodist Convention on Evangelism June 26-28 in Philadelphia, Pa.

The announcement was made by Dr. Joseph H. Edge, associate secretary of the Methodist Church's General Board of Evangelism, which has its national headquarters in Nashville. He is registrar of the convention.

The Philadelphia meeting will mark the opening of the American phase of Methodism's world-wide emphasis on evangelism this year. Dr. Edge said.

More than 5,000 delegates from outside the Philadelphia area will be in attendance, and arrangements are being made to seat 67,000 persons at a mass rally on Sunday, June 28, at Philadelphia's Franklin Field.

At least 1,000 persons will be received into the church at the rally, Dr. Edge said, signaling the first step toward a churchwide goal of 250,000

John Gose Resigns As City Policeman

John Gose who for the past several months has been the Chief of Police of Whitesburg resigned on Tuesday of this week. According to John he gave up the post due to the fact that he is a candidate for Police Judge and his wife is seriously ill. Mr. Gose stated that it had been a real pleasure to serve the good people of Whitesburg and that he had found them most amicable, and good to work with. He stated that he believes he has made friends for Whitesburg while serving as peace officer. We feel that Oda Amburgey who replaces Mr. Gose will carry on the good work and continue to make friends for Whitesburg.

A good slogan for a policeman, we think, might be: "Treat our citizens right, and our tourists royal."

"The hard-luck fellow who is 'down and out' can be helped, but the snob who is 'up and out' is beyond help."

Womens Clubs Oppose Admitting Red China In UN

Washington, D. C.—June 19 —In a letter to President Eisenhower, written June 17, Mrs. Oscar A. Ahlgren, President of the General Federation of Women's Clubs, informed him that the Federation is opposed to the seating of Red China in the United Nations.

She stated that the organization does not believe in compromise on this issue.

The letter follows:

"Dear Mr. President: 'As President of the General Federation of Women's Clubs, the largest group of organized womanhood in the world, I urge you to stand firm and not join with those nations that would seat Red China in the United Nations. Great pressure undoubtedly will be brought upon you in the coming Bermuda conference.

"Our organization represents many of the mothers and wives of the men fighting and dying in Korea. We do not believe in compromise. Our men are fighting in Korea so that peoples the world over

may also have freedom and independence as they and as we know it. To admit Red China to a seat in the United Nations would be a direct betrayal of those who have died in Korea.

"We ask you to back up our men on the political front as valiantly as they are performing on the fighting front.

"With all good wishes and may God bless your efforts."

Red Cross Calls Meeting At Court House June 29th.

Mr. E. J. Berlin, Chairman of the Letcher County Chapter of the American Red Cross has called a meeting of the Board of Directors to convene at the courthouse in Whitesburg on Monday evening, June 29th at 7:00 p. m. (CST). All members are urged to attend this important meeting.

Captain and Mrs. W. D. Myers of Fort Worth, Texas and A-1c Dan J. Harman Jr., of Larson AFB, Washington, have returned to their bases after being called here in the illness and death of their father Dan J. Harman. Dan Jr., will remain at home for a few weeks.

STATEMENT OF ELIHU B. ADDINGTON Republican Candidate for County Judge

or night. I will work out a road program and do everything in my power to get the people roads so that they can get to and from their homes.

I will take the same interest in Letcher County as I have in District No. 7.

To those who may not know me personally as to my character and qualification, I refer you to any business man or County official; My Father was Taylor Addington and my Mother was Celia Adams, the Daughter of Jesse Adams, of Crafts Colly. I have raised a family of 12 children, worked hard to get them through school as a farmer and miner; I have worked in the mines for 27 years; Joined the United Mine Workers as a charter member in 1933 and am still a member, belonging to Local Union 8371, Ermine, Ky., and a retired miner.

The time is drawing so near that I will not have time to see all of the people before the election; so I hope you will carefully consider my claim as though I had sat down and talked the matter over with you.

Your friend,

—ELIHU B. ADDINGTON.

Midway To Have Homecoming June 27

The annual Homecoming of the Midway Junior College and Pinkerton High School (Kentucky Female Orphan School) will be held on the campus Saturday night and Sunday, June 27-28. Reservations for over night will be received through today, June 25. It is hoped that many of the former students and graduates will attend.

Miss Lucy Peterson, Director of the Alumnae Association will be in charge of the activities of the week end.

It is in man and not in his circumstances that the secret of his destiny rides.—Carlyle.

As Justice of the Peace of District No. 7, I have served you seven and one-half years. Have done my best to give you an honest and fair administration; those coming before me for trial for misdemeanors; have given them fair trials tempered with mercy where it was justified.

Have always been ready to lend a helping hand to anyone coming into the court for an accommodation; especially the underprivileged who does not have the money to have some one look up the records for them.

I have succeeded in having 15 miles of road built up the creeks in my district. And most of them is now taken over by the State to be maintained. I have made several trips to Frankfort to see about having roads built in my district and have had success, always paying my expenses myself without any cost to the County.

Now, if you will elect me as your County Judge, I will give you a fair and honest administration; you will find me friendly and ready to give you service at any time, day

THE OFFICE OF MAGISTRATE IS AN
IMPORTANT OFFICE:

The eight Magistrates, together with the County Judge and County Attorney, comprise the Fiscal Court which spends your tax money, and regulate the Fiscal affairs of the County.

I was born and have always lived in the 8th Magisterial District and am running for Magistrate because I feel I am qualified to represent you and will do my best to see that you receive your fair share of tax money for the betterment of Roads, Bridges, Schools, and etc.

I know the needs of District 8, and will work soberly and honestly for the improvement of our District. I will try to talk to you personally before the Election. If you do not know me ask your neighbor. I will appreciate your support so that I may serve you for the next four years as your Magistrate.

THE PARSON SAYS:

E. Hampton Barnette

We went to Camp Branch Church Sunday, June 14th, and enjoyed a very fine "Dinner-On-The Ground." Except it was on tables in the church yard. One wonders where so much food could find its way to the table. But it was there.

Following the big dinner I spoke briefly in the church.

Rev. E. C. Watts, writer, historian, and retired minister, from Simpsonville, preached following my appearance. He gave a brief history of the Camp Branch Church, which gave its building 40 years ago on that Sunday.

The Clays, and their neighbors keep alive that country church in fine shape. Rev. John Holbrook, Principal of schools at Hemphill is their pastor, and very highly regarded among the people in that section of the county.

In the Christian Adventure Camp last week at Henderson Settlement School I taught the Life of Jesus. Trying to establish the place of Joseph, the Husband of Mary, I asked, "Who was Joseph?" One very mixed up boy answered, "The sister of Simon Peter's Wife's mother." Maybe you can straighten him out. I could not, for by that time the class was too much in an uproar of laughter.

One of my little Sunday School girls calls me "The Creature". I am glad I can be classified as one of the creatures of creation. She may be very disappointed when she finds I am only a preacher.

I was introduced to a friend some time ago as a preacher. The stranger said, "I am so glad you are a preacher in my denomination." But, when I said, "I am not of your denomination, I am a Methodist preacher," my new found friend said: "Ah."

Our good will and friendship goes to The Reverend C. A. Lingle, pastor of the Whitesburg Presbyterian Church. This good minister has taken a beating through a hospital for an operation. It is our hopes that he will soon be able to return to his good pastorate among his fine people.

When the president of our ministerial association must be hospitalized, it gives the rest of the ministers sympathetic concern for him, and our brotherly love is sincerely extended to him and his wife.

Old Sol, the sun, finally turned on the heat and people took to the shade, swimming pools and secluded nooks. People are not quite normal under the beaming sun, but there is at least one place much hotter than any earthly sun, and there will be no shade there.

We are told there is at least one "Lake of fire" in that hot place, but the swimming will not be so good. None of us desire to make a jack-knife dive into that lake. It was not made for our swimming pool, but for "The devil and his angels." We should stay clear away from any path that turns our feet that way.

There is "A river of life that makes glad the city of God." Our spirits should be concerned about finding that river, for on either side of it are the trees of life. Beneath those trees we may find loved ones and friends with whom we can find great satisfaction and happiness. Now that is the place for those who are faithful, and loyal to the Church and to the highest and noblest of life.

There is a path that leads to this pleasant place of eternal

joy. That pathway leads by the Cross. It leads by the church. It goes through prayers, repentance, love, forgiveness, the witness of the spirit within that we are "The sons of God." Through this spirit of God we can know that our sins are forgiven and that we are on our heavenly journey.

Bring your sunshine to church next Sunday, but leave your moonshine to leak away in the hiding places that destroy your lives.

CARD OF THANK

We humbly and gratefully acknowledge and extend our heartfelt thanks for every act of kindness and assistance given us by friends and neighbors, during the illness and death of our loved one.

We especially remember the doctors and nursing staff of Fleming Hospital, the ministers and the musicians who assisted at the funeral.

ELWOOD CHAMPION FOR SHERIFF

Statement of— Elwood Champion

Before making this statement and announcing my candidacy for the office of Sheriff of Letcher County, subject to the Democratic Primary, I visited every precinct in Letcher County, talking with the people of both political parties and seeking advice as to my chances for nomination and final election. I had no intention of seeking office had this advice been unfavorable. However, the support of the people became so convincing that I am now taking this opportunity to make this, my announcement as a candidate.

That you may know more about my past, I am the son of Mr. and Mrs. W. E. Champion of McRoberts, Kentucky, having lived in Letcher County all of my life. I attended grade school in McRoberts and graduated from Jenkins High School in 1943. Immediately after graduation I enlisted in the United States Navy for a period of three years, being discharged honorably on the point system. After being released from service I accepted a position as a miner for the Consolidation Coal Company but was one of the unfortunate men who were cut off in the last part of June, 1949, because of a reduction of employees. I then applied for a position as

Trooper with the Kentucky State Police and was employed on November 1, 1949, holding this position until recently, resigning to make the race for Sheriff of Letcher County.

Having had four years of experience as an officer and having taken all of the training offered by the State Police Department at the University of Kentucky and other schools, I feel as though I am better trained for this position than any other candidate seeking this office. If nominated and elected, I promise the good citizens of Letcher County, that I will at all times enforce the laws of our State and County with the aim that it will be a better place in which to live. I feel that it is the duty of the Sheriff of any County to bear in mind that he is a servant of the people and that as such he should be accommodating, cooperative, fair & reasonable, yet firm in law enforcement. It shall be my desire to modernize our sheriff's office by installing a two-way radio system as now employed by the State and training all deputies to serve the public at all times.

If nominated and elected as your Sheriff, I promise further that I shall serve all people without discrimination, it being my greatest desire to make my tenure in office a service which will never be forgotten.

Respectfully submitted,
—ELWOOD CHAMPION.

Beware Of Blasting Caps Bureau Warns

The United States Post Office Department and Bureau of Mines today joined forces in the nationwide safety campaign warning boys and girls, "DON'T TOUCH A BLASTING CAP."

Posters picturing four common types of blasting caps were distributed for display in 41,000 United States post offices. The posters warn "DON'T TOUCH BLASTING CAPS", and tells boys and girls "If you find a cap don't touch it. Tell a policeman about it."

Stressing the warning to children Richard F. Webster, pointed out such caps are necessary in the nation's industry to detonate blasts for mining coal, quarrying stone, clearing from lands for tillage, and for digging tunnels and foundations for buildings and factories. Summer is a peak construction time. More

blasting caps are used. And children roam afield and are more likely to come upon blasting caps that have been heedlessly discarded, lost or even stolen, then thrown away.

"A blasting cap is a small metal cylinder and when it explodes, bits of metal fly in all directions. They can tear off a finger, a hand or a foot, blind a person for life, or even kill outright. Everyone who handles a blasting cap should know that if he doesn't carefully account for every one, it might be mislaid and maim a child."

These posters can show children what caps look like. They are tubes of bright aluminum or copper, a little thinner around than an ordinary pencil and from one to five and a half inches long. Some are open at one end, others have fuses inserted in that opening, and still others fired by electric current have insulated wires in one end. Find out what a blasting cap looks like and beware."

Application blanks for assistance will be available at the Bank of Whitesburg and Roy Gilley's Store. When you go into the bank or farm store ask about signing the application for help in: draining wet

land, establishing pastures, reforestation and woodland management; planning your farm to improve the soil and conserve it; building a farm pond or fish pond; establishing a permanent hay crop such as sericea lespedeza.

Sign the application and when I return we will work together on your problem or project. When you sign the application for assistance you will get a soil map of your farm which shows the kind and class and best use of the land.

I am working toward a Master's Degree in Agronomy at the University of Kentucky, and will return to the county about Aug. 15, 1953.

It has been a real pleasure working with you folks in Letcher County these first six months.

Sincerely,
—JOHN JORDAN.

'Bear' Facts—By PAUL BRYANT
UK Football Coach

It will be long summer weeks (an ominous total of 13 weeks as of this writing) before the football boilers are stoked again. The fires are banked now, with an all-too-short spring practice period past and scrimmage movies double checked, but there is still a smoldering interest, I am sure, in how "hot" the competition is going to be next fall when Kentucky jumps into the football frying pan.

With this interest in mind and the weather lending the right atmosphere, I will attempt during the forthcoming weeks to give our grid fans of the state a capsule report on some of the fine teams the Wildcats will be facing starting Sept. 19.

The Southeastern Conference race likely rates the biggest attention among Kentucky fans and, since league opponents make up 60 per cent of our schedule, it is only fitting that they be discussed first. All told, we meet Mississippi, Tennessee, Florida, LSU, Mississippi State and Vanderbilt—at least three of whom rate in the top division and were bowl visitors last New Year's Day.

Ole Miss' Rebels, who have a breather with Chattanooga the week before they play Kentucky on Sept. 26, could easily be the class of the conference in '53. The Wildcats will really have to be "up" for this one, not only because Coach Johnny Vaught's crowd is going to have plenty of good football players but due to the fact that the Kentucky game has always been a "make or break" situation for them. In past years, when Mississippi won, the Rebs went on to have good seasons while a loss to UK generally has been an omen of a poor or just average campaign.

One of three teams on the Kentucky schedule who played in bowl games last Jan. 1, Mississippi should benefit from the extra practice of preparing for their Sugar Bowl venture. They are reputed to have a strong deep line built around Crawford Mims, an outstanding guard, and Ed Beatty, speedy 230-pound center, and appear sure to have one of the strongest backfields in the conference.

SEC coaches, in their recent poll, relegated Ole Miss to the inconspicuous fourth-place spot behind the powerhouses of Alabama, Georgia Tech and Tennessee, but I'd have to rate this team, which we tied 13-13 in a remarkable fourth-quarter comeback last season, as an equally dangerous contender for the title.

Morehead Hires Assistant Coach

Silas (Si) Prewitt will become assistant to head football coach Wilbur (Shorty) Jamerson at Morehead State College August 1. Prewitt was Jamerson's coach at Barrett High School in Henderson, Ky., in 1946-47.

The new assistant coach will also be in charge of college intramurals and the physical education program at Breckinridge Training School on the Morehead campus.

A native of Corbin, Prewitt made the all-state high school football team during his junior and senior years at Corbin High School. He is a graduate of Western State College where he played college football for three years and was captain of the Hilltoppers in his final year. He also was named an all-SIAA halfback in 1935 when the SIAA was composed of about 35 southern colleges.

Jamerson will be discharged from the Air Force this month and will officially succeed Ellis Johnson July 15. He and Prewitt will begin work with the Eagle squad with the opening of football practice September 1.

Vets Should Notify VA In Change Of Addresses

Veterans in school under the Korean GI Bill should notify the Veterans Administration immediately if they're planning to change their address at the close of the Spring term so that GI allowance checks can be delivered without delay, VA said today.

The Post Office is not permitted to forward such Government checks from one address to another, VA explained. For that reason, GI allowance checks mailed to an address at which a veteran no longer lives, must go back to the Treasury, where they remain until VA finds out where to send them.

Korean GI Bill allowances for the month of May generally will not be delivered to veteran-trainees until late in June, after veterans who have been living on the campus will have returned home for the summer.

Those veterans who have notified VA of their change of address, should experience no difficulty in getting prompt delivery of their allowance checks.

No action need be taken, however, in the case of a veteran-student who continues to live at the same residence. Only those who move need notify VA of their new addresses.

To inform VA of an address change, all a veteran need do is write a letter to the Veterans Administration regional office handling his records. In his letter, he should give his claim number, both his old and new address, and he should be sure to sign it.

Six Countians On Honor Roll At Morehead College

Nine students made perfect standings out of 169 on the honor roll for the second semester at Morehead State College, according to Linus A. Fair, college registrar. Women students outnumbered the men 91 to 78 in the final tally. A student must have a B standing or better to be on the honor list, which includes only full-time undergraduate students.

Six Letcher county students are on the roll. They are Jessie Stephen Hogg, Whitesburg; Ira Lee Frazier, Roxana; Eunice Justice Hurley, Gordon; Corbin Ison, Isom; Margaret Ann L. Swindall, Jenkins; and J. Mose Stewart, Linefork.

TWO COUNTY BOYS ATTEND SAFETY CAMP

Glen Bentley, Hemphill and Grant Wright, Burdine pupils at Hemphill and Burdine grade schools are one of 125 outstanding schoolboy patrolmen from throughout Kentucky spending this week at Camp Earl Wallace on Lake Cumberland. The camp will run six days, closing June 27.

The school trooper camping program, first of its kind in Kentucky, is sponsored by the State Police and State Department of Fish and Wildlife Resources.

Youngsters will be instructed in swimming, boating, fishing, first aid, and nautre study. In addition, an hour of training in advanced school traffic patrol work is part of each day's schedule.

**Red Cross Makes Appeal For Funds**

An appeal for funds was announced to the nation this morning to meet the heavy financial responsibilities that the Red Cross must assume as a result of the recent series of nationwide disasters.

In making this announcement Mr. E. Roland Harriman, President of the American National Red Cross, said "the last two months have been among the most destructive and costly in Red Cross disaster experience, since April 18 there have been 14 major disaster operations. Emergency relief and rehabilitation so far provided for the victims has virtually wiped out our entire disaster budget for the current fiscal year. Thus, additional funds will be required to meet the needs created these last few days by floods in Iowa and vicious tornadoes in Michigan, Ohio, New Hampshire, and Massachusetts. Rehabilitation costs for all recent disasters will carry over into the next fiscal year. They will be very heavy and so we will need the full support of the American people to help those who have suffered personal loss in these catastrophes to help themselves."

Yesterday the Red Cross made an initial allotment of \$400,000 to meet emergency needs of victims of these latest disasters. This brought to a total of \$3,823,668 the amount the Red Cross will expend for disasters in the present fiscal year.

During this brief period of two months 384 people have been killed, 3,772, have been so seriously injured that they required hospitalization, and the homes of 16,651 families have been either totally destroyed or have suffered major damage. All chapters are urged to make these facts known and solicit voluntary contributions so that we may adequately meet our responsibilities to the disaster sufferers.

People in Letcher County wishing to donate to the Red Cross emergency fund are asked to mail their contributions to Mrs. Arthur Dixon, Executive Secretary, American Red Cross, Letcher County Chapter, Whitesburg, Ky.

*There's only one answer...***Chevrolet trucks must be the best buy!**

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty

important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost?

That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

BAPTIST CAMPS TO OPEN AT CEDARMORE

A new feature in the summer program of Kentucky Baptists is a General Assembly at Cedarmore, the summer camp site. A program with an appeal to all adults,

stressing all phases of the church and denominational life, has been prepared.

The sessions will begin on Monday evening, July 6, at 5:30 with supper, and will continue through Friday noon, July 10. The afternoons are

reserved for sports and recreation.

Cedarmore is located on Highway 43 about ten miles from Shelbyville.

The rates are reasonable. Make early reservations by writing at once to: Marvin Byrdwell, Bagdad, Kentucky.

Put your order in today at The Eagle office for your election printing. We can give you quick service.

After a WAVE wrote home about her "boot" training, the following item appeared in her home-town newspaper: "Mr. and Mrs. J.—are pleased to announce that their daughter Betty, who recently joined the WAVES, USNR, has already been promoted to Captain, Head Detail."

"In front of a St. Louis church a sign reads: 'What on earth are you doing for Heaven's sake?'"

Most self-employed persons have family protection under social security at least until July 1, 1955, Thomas E. Thompson, Manager of the Hazard Social Security Office, said today.

This survivors insurance protection has been built by people who have worked for themselves in most trades and businesses since January 1, 1951, and have reported and paid social security tax on net earnings of at least \$400 for both 1951 and 1952. Thompson declared.

In addition, he pointed out, these self-employed workers have retirement protection if they reach age 65 and retire before mid-1955. Future self-employment will extend the period of protection for every year engaged in a social security covered trade or business. When a worker has completed 10 full years in covered employment either as a wage earner in the employ of another, or as a self-employed individual, he and his family will be permanently insured for life. Thompson said that the amount of the family payment, however, is dependent on the amount of employment and the amount of wages or net earnings from self-employment accumulated at the time of retirement or death. Under existing law, the minimum monthly family payment is \$45, while the maximum is \$168.75. Your own monthly retirement payment at age 65 ranges between a minimum of \$25 and a maximum of \$85.

There are certain self-employed groups which are excluded from social security coverage; these are members of the professions and farm owners and farm operators. Questions you may have about your coverage as a self-employed person can best be answered by Jack Hall, Field Representative of the Hazard Social Security Office who visits the Whitesburg Post Office on the 2nd and 4th

Tuesdays of each month, between the hours of 2:30 to 4:30 p. m. Hall also makes regular monthly trips to the towns of Jenkins and Fleming—your post office can supply dates and hours.

Safety Hints

—by Lovell Williams—

Can you make quick decisions? If you can't you had better stay off the nation's highways and streets over the Fourth of July week end, the National Safety Council said today.

"It has been estimated that the average motorist has to make from 20 to 50 decisions per hour, depending on the traffic," and a wrong decision can be fatal. In extremely heavy traffic, like that during holidays, a driver is never more than a second away from an accident."

The Council expects more pleasure-seeking motorists to climb into more cars and roll up more miles during this three-day week end celebration than ever before in the nation's history.

Nearly 40 million motor vehicles are expected to jam the highways, and their speedometers are expected to clock close to four billion miles. The increasing number of cars on the road and the substantial rise in gasoline consumption, plus the fact that many summer vacationists will use the three-day week end as the beginning or end of their regular vacation periods, threaten a heavy death toll unless extra care is used.

Advising an early start for holiday motor trips to reduce the temptation to speed, the Council offered these tips to drivers:

1. Obey common sense as well as legal speed limits.
2. Keep your car under control at all times, so you can stop quickly if circumstances demand.
3. Keep fresh and alert at the wheel. You can't make split second decisions if you're tired and fuzzy.
4. Keep a safe, clear stopping distance between you and the car ahead. Watch cars behind in your rear-view mirror.
5. Signal for turns well before turning. Avoid abrupt stops.
6. Slow down at sundown, and be sure you can stop within the range of your lights.

Kentucky Spending More On Schools

Kentucky spent 77 per cent more money for current operating expenses in educating the State's youth in the 1950-51 school year than in 1945-46. There figures were released today by the Kentucky Chamber of Commerce. The study revealed that operating expenses rose from \$36,320,000 to \$64,412,000 in the five year period. The expenses per pupil on average daily attendance jumped from \$86 to \$135—an increase of 57 per cent from 1945-46 to 1950-51.

The survey, prepared by the Washington Research Office of the Kentucky Chamber of Commerce shows comparative figures for all states. The study revealed that operating expenses for the entire U. S. rose from \$2,707,000,000 in the 1945-46 school year to \$5,084,000,000 in the 1950-51 school year—a national increase of 88 per cent. During the same period Kentucky's increase was 77 per cent. The average national expenses per pupil in average daily attendance jumped from \$136 to \$224, or 65 per cent, in the same period. A 57 per cent increase was registered in Kentucky.

UK BANKERS SCHOOL DRAWS 100 PERSONS

Approximately 100 young bankers from all sections of Kentucky and from six other states met last week (June 15 to 19) at the University of Kentucky for the sixth annual Kentucky School of Banking. Co-sponsors of the affair, along with the UK College of Commerce, were the State Department of Banking and the Kentucky Bankers Association. Chief purpose of the school was to assist junior officers and other bank personnel in performing important duties in their individual banks. Specialists in different phases of banking served as instructors and lecturers during the week. Concluding the entire program Friday (June 19) was a summary and appraisal of the week by Dr. C. C. Carpenter, dean of the UK commerce college.

Keep up with local happenings and politics by reading the Eagle each week.

TIME IS MONEY

The time you spend on your job is money in your pay envelope. Like time, this money has a way of "flying" fast . . . from one pay day to the next. You can't make time stand still. But you can make some of your money stand still . . . in a savings account. Not only stand still, but GROW steadily via the interest it earns for you. Timely advice: start a savings account at once. Then deposit a definite amount of money every pay day . . . before it gets a chance to fly!

"Just bought my 4th Kaiser"

"My fourth Kaiser is the best yet,"

says E. U. Sherman, Kansas City. "I bought my first Kaiser in 1947, liked it so well I've bought three more. I find the Kaiser best suited to me."

With 730,000 cars on the road, Kaiser's repeat ownership tops all previous records—and Kaiser's new \$62 million expansion program assures these owners of a great future!

Kaiser has an outstanding record of repeat owners. Here's why:

Styling—The Kaiser has won more international beauty awards than any other American automobile. Trim and low with unlimited visibility through the greatest glass area of any standard sedan.

Performance—With no unnecessary dead weight to pull, every ounce of power goes into efficient performance. Lowest center of gravity of any standard American sedan, plus Kaiser's suspension, lets you

take curves faster and stay snug to the road.

Safety—When you drive a Kaiser with its safety-padded instrument panel, "push-out" windshield and narrow corner posts . . . you'll never feel as secure in any other car!

See Your Dealer—Now you can get a better car at a better price—and the Kaiser-Frazer dealer's king-sized allowance on your present car will prove it to you!

Choice of Standard, Overdrive* or Hydra-Matic* plus new—lowest cost—Kaiser Power Steering*

*Optional at extra cost

"On the road all the time—now in my third Kaiser," writes J. J. Long, Long Island salesman. "Traveled 140,000 miles without expensive repairs; 26 miles on a gallon, too."

"Four Kaisers in our family," says E. S. Cleveland, California garage owner. "For economy of operation and performance they can't be matched. No question about it, the best engineered car."

"Saved my life," says Donald E. Holmes, Coldwater, Michigan. He walked away from a crash, thanks to Kaiser's safety-padded instrument panel and "push-out" windshield.

DAYTON, KY. MAN RECEIVES GM AWARD

Louisville, Ky. June 22 — Harrison M. Stacey, 1016 Walnut St., Dayton, Ky., recently was named winner of the \$1,500 top Kentucky state award in the General Motors Better Highways Awards contest.

The 34-year-old Stacey, who is an attorney and Dayton agent for the real estate and tax division of the New York Central Railroad, received his check at an awards dinner held here today in honor of the three Kentucky state prize winners.

Honored with Mr. Stacey were A. F. Connor, Lewisport, and A. C. Stover, 4156 Frankfort Ave., Louisville, both winners of \$500 state honorable mention awards.

Robert Moses, New York City Park Commissioner, last week was named winner of the \$25,000 top national award in the contest, which was sponsored by General Motors to stimulate widespread thinking and discussion about America's highway problem.

DIXON HOMEMAKERS

The June meeting of the Dixon Homemakers club met at the home of Mrs. Fred Stamper, Friday, June 19, at 10:00 a. m.

After a delicious plate lunch the meeting was called to order by the president Mrs. Willie Dixon. Mrs. Arnold Campbell gave the devotional. A poem was read by Mrs. Pearl Dixon, then Miss Halcomb gave the lesson on canning.

The new officers were to be elected for the coming year but since we have had such good officers the past year we decided to make no changes.

For the July meeting a picnic was planned to be at the home of Mrs. Gobel Fields.

Locusts—not the relatively harmless 17-year variety—have been eating the world's crops since the earliest Biblical times. Recently Brazil was invaded by a column of locusts 60 miles wide, writes Edwin Muller in the July Reader's Digest. This insect horde blocked roads, stalled trains, entered houses, and destroyed 60,000 tons of wheat. A swarm was once sighted at sea, 1200 miles from the nearest land; another swarm was found 4000 miles from where it was hatched.

A honeybee can pollinate flowers at the astonishing speed of 30 flowers a minute, writes Rutherford Platt in the July Reader's Digest.

"A Memory Verse"

On August 11, the year of 1948 Tom Newman died, the hour was late. He went to live with the Angels so fair. He told us to pray, and meet him up there. He knew someday, God would call him home, never in this weary world never to roam no more. He left us all sad and alone, no one knows what it is till you are left alone, without a loving father.

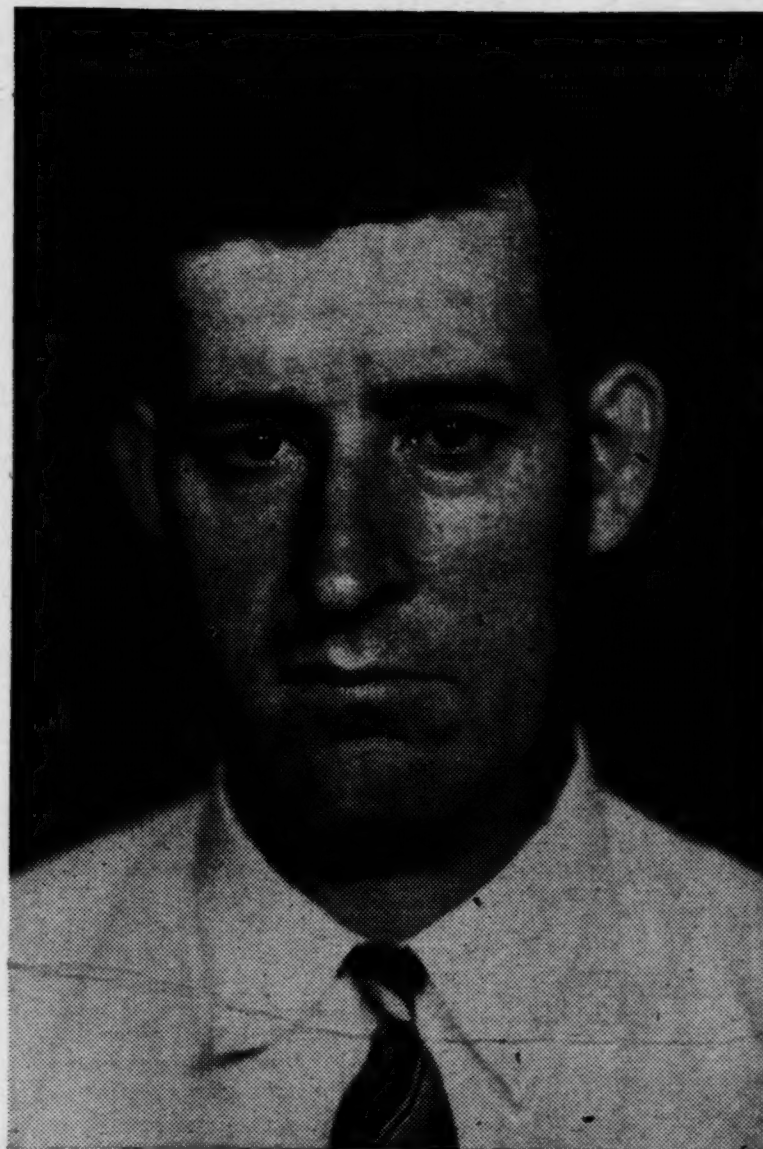

He told us all to be good, God knows I've done the best I could. He left his wife and six children to weep his loss. He only has three brothers living, so I hope they will read this and while a star shines over his grave, the one we loved, but could not save.

God needed another angel to worship before his throne, so he looked down and called daddy home. He is not dead, not lost, but gone on before, but daddy's memory lives in my heart and will forever more.

Written by his oldest daughter, MISS GLADYS NEWMAN, Carcassonne, Ky.

"What a man does, not what he feels, thinks, or believes, is the universal yard-stick of behavior."

GAD JOHNSON Makes Statement On His Race for State Representative.

TO THE VOTERS OF LETCHER COUNTY:—

I have announced my candidacy for State Representative subject to the action of the Republican Primary.

I want to introduce myself to you so that you will be better acquainted with me. I am the son of the late John Henry Johnson and Oma Potter Johnson. I married Miss Wilma Ransom, we have 4 children. I have lived at Hemphill and worked as a miner in the Elk Horn Coal Co. Mines practically all of my adult life. I was elected and served as Magistrate in Dist. No. 8 in 1945. I have always been interested in Letcher County and the welfare of its people and always will be. I desire to be your representative for the following reasons:

I want to be of help to my people particularly the aged, needy and blind. I want to try and have the Lien Law repealed. The Lien Law is the Old Age Pension Law and I want the aged to have assistance without mortgaging their property.

I will also be interested in labor legislation problems, as well as education for our youth.

Also better roads for our mountains and recreation areas for our youth, as well as tourist facilities for our mountains.

My life is an open book and I invite the people to investigate my record and life as a citizen.

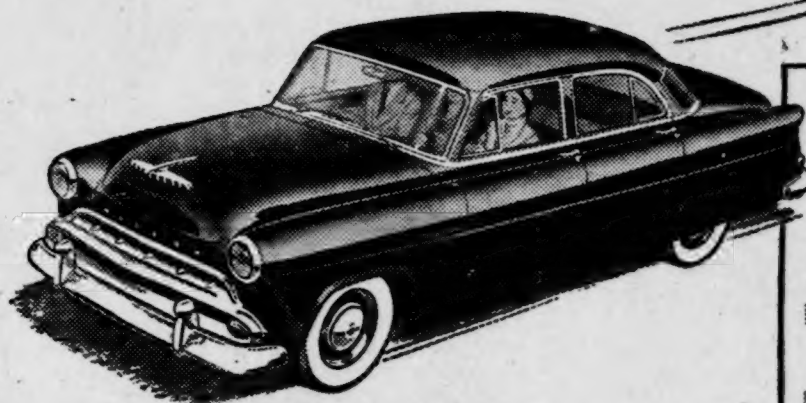

—Respectfully,

GAD JOHNSON
